TESTIMONIALS:

Miss. Biswas

~CFI PROGRAM

"SFA & ATP has been a great support in my training. They have been helping me through my flight and ground training, and with their help, I've improved my flying skills. Their instructors are very knowledgeable and insightful. Their training is exceptional."

Miss. Chhatre

~ATPL PROGRAM

"I got my visa approved on the first attempt and I owe this to SFA & ATP. They guided me through the processes required for the visa and interview preparations. I completed my ground training in India with SFA & ATP. The instructors helped me with everything, cleared every doubt I had, and assisted me in every possible way. And the instructors at the premises are helping me a lot with everything. The guidance I get from the instructors for improving my flying skills is really helping me a lot."

Mr. Dey

~ATPL PROGRAM

"I've always been fascinated by aircrafts from a young age and with SFA&ATP, I turned by passion into my career! It's always a fun experience learning from the instructors at SFA&ATP"

NOTE:

- Delay in installments will lead to delay in student's training
- Penalties are applied upon the installment amount (Incase of default of payment)
- This package is designed for the current batch
- Costing might differ if the exchange rate of the currency changes.
